a) Estas ranhuras servem para ajustar as portas verticalmente, de forma a ficarem correctamente niveladas.
Nota: Se o móvel tiver gavetas, ajuste as portas de forma a que não toquem nas mesmas.
b) Este parafuso serve para regular a folga entre a porta e o lateral do móvel.
c) Este parafuso permite regular a folga entre as portas e ao mesmo tempo rodar ligeiramente a sua posição, de forma a que fiquem completamente paralelas.

GB

a) The slots on the metal bracket allows you to adjust the doors vertically, so they can be level with each other.
NB: If this product features drawers always adjust the doors upwards, so that it does not interfere with the drawer.
b) The centre screw can be used to adjust the gap between the door and the side of the wardrobe / chest frame.
c) The small screw can be used to adjust the gap between the doors and to slightly rotate their position to ensure they are parallel to each other.

ES

a) Las ranuras en la bisagra permiten ajustar las puertas verticalmente para que esten al mismo nivel las dos puertas.
NB: Si este producto incluye cajones. Siempre debe de ajustar las puertas hacía arriba para que no interrumpen el funcionamiento del cajón.
b) El tornillo en el centro se puede utilizar para ajustar el espacio que hay entre la puerta y el lateral del armario.
c) El tornillo pequeño se puede utilizar para ajustar el espacio entre las dos puertas y para girar un poco la puerta asegurándose que las dos puertas estén en posición paralela.

FR

a) Les rainures de la fixation en métal permettent d'ajuster la porte verticalement, donc elles peuvent être à niveau l'une l'autre.
NB: Afin d'éviter que les portes ne touchent les tiroirs lorsqu'ils sont ouverts, veuillez ajuster les portes vers le haut à l'aide des vis prévues à cet effet.
b) La vis centrale peut-être utilisée pour régler l'espace entre la porte et le cadre de l'armoire.
c) La petite vis peut-être utilisée pour régler l'espace entre les portes et il est possible de la tourner légèrement pour permettre aux portes d'être parallèles l'une et l'autre.

NL

a) De openingen in de metalen scharnieren laten u toe de deuren verticaal bij te regelen zodat ze in lijn staan met elkaar.
NB: Indien dit product voorzien is van een lade,moet u de deuren steeds naar boven regelen zo dat ze niet tegen de lade schuren.
b) De middelste schroef kan gebruikt worden om de opening tussen de deur en de zijkant van de kast bij te regelen.
c) De kleine schroef kan gebruikt worden om de opening tussen de deuren bij te regelen en hun stand lichtjes te draaien zo dat de deuren paralel met elkaar staan.

GB

IMPORTANT

We recommend that you secure the furniture to the wall with this safety strap.
This is to prevent the furniture from tipping or falling if a child tries to climb or hang on it.
Different walls require different types of fixings, therefore use fixings suitable for the walls of your home.
The fittings included in this packet are for concrete walls.

ES

IMPORTANTE

Recomendamos que fije el mueble a la pared con la cinta de seguridad. Esto es para evitar el riesgo de que vuelque o caiga el mueble si un niño intenta subirse encima o colgarse del mueble.
Paredes distintas requieren tornillos y tacos distintos. Utilice los tornillos y tacos adecuados para las paredes de su casa; los proporcionados con este kit son para paredes de hormigón.

PT

IMPORTANTE

Recomendamos que fixe os móveis à parede com a fita de segurança incluída, para evitar que tombe se uma criança tentar trepar ou pendurar-se.
Diferentes materiais de parede requerem diferente tipo de ferragens de fixação, use ferragens adequadas para as paredes da sua casa.
As ferragens incluídas são para uma parede de betão.

FR

IMPORTANT

Nous vous recommandons de fixer le meuble au mur avec la laniere. Ceci afin d'eviter que le meuble bouge ou tombe lorsqu'un enfant essaye de grimper sur le meuble ou de s'y accrocher.
Differents murs demandent differents systemes de fixation.
Employez donc les fixations adaptees a votre mur.
La fixation dans ce paquet est prevue pour un mur normal

NL

BELANGRIJK

Wij raden u aan het meubel aan de muur te bevestigen met behulp van het bevestigingslint.
Dit om te vermijden dat het meubel verschuift of omvalt wanneer een kind tracht op het meubel te kruipen of er zich aan vasthangt.
Verschilende muren vragen verschillende bevestigingssystemen; gebruik steeds de aangepaste bevestigingen.
De bevestiging hierbijgevoegd is voorzien voor een normale muur.

GB IMPORTANT - READ CAREFULLY AND KEEP FOR FUTURE REFERENCE

WARNING

This wardrobe is designed with screw fixings, and they should not be removed after assembly.
This wardrobe when assembled should not be disassembled.
Ensure the wardrobe is only used on a level surface.
Remember to inspect your wardrobe regularly for wear or accidental damage, and for the security of components. Before using the wardrobe ensure all assembly fixings are properly tightened, and remember to regularly check that they remain so. Loose screws can pinch parts of the body or catch clothing (string or ribbons on dummies etc.), and present a danger of strangulation. If possible, do not place your wardrobe next to a radiator or hot air vent.
It is normal when painting or varnishing natural products such as wood or its derivatives that some variation in colour tone may occur on parts of this product.

WARDROBE CARE

The wardrobe should be wiped with a damp cloth and buffed dry.
The use of abrasive cleaners is not recommended. Simply wipe clean and buff with a soft dry cloth.
Careless handling or movement of wooden furniture can damage it.

GUARANTEE

All TRAMA products have a period of guaranteed subject to the local law of the country in which it is being sold, from the date of purchase, against mechanical defects which will be repaired, or parts replaced free of charge within this period. This is conditional upon the product having been used for the purpose for which it was designed and no liability is accepted for defects arising out of fair wear and tear, undue force, neglect or accident.
In furtherance of their policy of continuous product development TRAMA reserve the right to make specification and design changes.

ES IMPORTANTE - LEER ATENTAMENTE Y GUARDAR PARA FUTURO USO

ADVERTENCIA

Este armario ha sido diseñado con tornillos que, como componentes, no deben de sacar una vez montado.
Este armario, una vez montado, no debe ser desmontado.
Asegúrese que utilice este armario solamente en superficies planos o horizontales.
Recuerde inspeccionar su armario periódicamente por desgaste o daños accidentales y por la seguridad de sus componentes. Antes de usar lo armario, asegúrese que las partes de montaje estén bien apretados y recuerde inspeccionar regularmente para que se mantengan así. Los tornillos sueltos pueden enganchar a las partes del cuerpo del niño ó a la ropa (lazos, cordones, etc...) y introducir peligro de estrangulación.
Si es posible, no ponga su armario cerca de ningún radiador o salida de aire caliente.
Cuando se aplica pintura o barniz a productos naturales como la madera o sus derivados, es normal que aparezcan variaciones en el tono del color en partes este artículo.

EL MANTENIMIENTO DE EL ARMARIO

Lo armario se debe limpiar con un trapo ligeramente húmedo y secada suavemente. El uso de productos de limpieza abrasivos no se recomienda. Simplemente limpiar y secar con trapo suave. Manejar o mover muebles de madera sin cuidado puede causar daños.

GARANTIA

Todos los productos TRAMA están garantizados por el período establecido en la normativa vigente contra defectos de fabricación. Los mismos serán reparados o sustituidas las piezas averiadas durante ese periodo. TRAMA no aceptará reclamaciones por daños causados por resultado de una utilización contraria a las instrucciones, bien como negligencias o accidentes.
En continuación de su política de desarrollo constante de sus productos,
TRAMA se reserva el derecho de modificar dibujos o especificaciones de sus productos.

PT IMPORTANTE - LER ATENTAMENTE E GUARDAR PARA FUTURA REFERÊNCIA

ATENÇÃO

Este armário é fixo com parafusos, e os mesmos não deverão ser retirados depois de completamente apertados. Este armário, uma vez montado, não deverá ser desmontado.

É aconselhável usar o armário apenas em superfícies planas. Faça uma inspecção periódica para certificar-se que as gavetas funcionam correctamente e que os restantes componentes estão em bom estado.

Antes de usar o armário certifique-se que todos os componentes estão bem montados e apertados, verifique regularmente o armário para que se mantenha nesse estado. Parafusos mal apertados podem arranhar o bebé ou caçar a roupa, cordões, fios das chupetas, etc. provocando assim perigo de estrangulamento.

Não deverá utilizar o armário junto a um radiador ou ventilador de ar quente.

Face ás diferente matérias primas utilizadas neste produto, madeira e ou seus derivados, pode existir uma variação na tonalidade da cor nos diferentes elementos deste artigo.

LIMPEZA

Para limpar o armário utilize um pano húmido e para a enxugar um pano macio. Nunca use agentes de limpeza abrasivos.

O descuido na utilização da mobília de madeira pode causar danos à mesma.

GARANTIA

Todos os produtos TRAMA estão garantidos de acordo com a lei em vigor contra defeitos de fabrico. Os mesmos serão reparados ou substituídas as peças avariadas durante esse período. A TRAMA não aceitará reclamações por danos causados, em resultado de uma utilização contrária às instruções, bem como negligências ou acidentes.

A TRAMA reserva o direito de modificar desenhos ou especificações dos seus produtos sempre que entenda conveniente.

FR IMPORTANT - LIRE ATTENTIVEMENT ET GARDER POUR UN USAGE FUTUR

ATTENTION

Ce produit a été dessiné pour être assemblé à l'aide de vis, et celles-ci ne devront en aucun cas être retirées après son assemblage. Ce produit une fois assemblé ne doit pas être démonté.

Assurez-vous que l'armoire se trouve sur un sol plan.

Contrôlez régulièrement votre l'armoire: usure ou dégâts et vérifiez la sécurité des composants.

Avant d´utiliser l'armoire, vérifiez que toutes les vis soient bien serrées, et n´oubliez pas de répéter cette vérification régulièrement. Des vis mal vissées peuvent pincer certaines parties du corps ou rester accrochées dans les vêtements (ficelle ou ruban sur les sucettes etc.) et présenter un danger de strangulation.

Ne jamais placez votre l'armoire près d´une source de chaleur.
