BÉBÉCAR

minipop

carrycot equipped with the

MAXIMUM COMFORT

so necessary in the first months of life

THREE LAYER construction

It integrates different natural materials that provide excellent thermal and acoustic insulation, ideal for newborns' well-being.

1. **Inner liner**: made of removable, washable and hypoallergenic cotton, to care for baby's delicate skin and avoid irritations or allergies.
2. **Air chamber**: the medium layer creates a chamber for improved air circulation, reducing heat and humidity and ensuring perfect thermal regulation.
3. **Exterior fabric**: made with high quality materials to ensure durability.

Adjustable backrest

The carrycot has a three position reclining backrest. This feature facilitates digestion and lets babies explore the world around them.

EASYLOCK attachment

The carrycot attaches to the chassis using the Easylock system that allows easy and simple fitting with two fastening and four support points that offer increased stability and avoid vibrations.

Large carrycot

The carrycot has the ideal size to ensure baby's rest and comfort in the first months.

Foldable visor

To change the position according to the sun's orientation, ensuring that the baby is always protected.

Mesh window

Large window in the hood for improved ventilation.

softFRESH mattress

Designed to adapt to the baby's body, relieve pressure and evenly distribute weight, reducing the risk of plagiocephaly.

Extendable hood

To protect the baby on windy days and from sun exposure, with UPF50+ index.

Foldable hood

Facilitates the access to the baby.

Integrated handle on the hood

Allows an easy transportation of the carrycot.
