

BÉBÉCAR

STYLO

timeless **STYLE**

Stylo is elegant, comfortable and attracts with its timeless design and exterior that combines plain and perforated leatherette.

Manufactured in Europe with the highest safety requirements, the Stylo has been designed to offer the ideal solution at different stages, providing maximum well-being to the baby.

Maxibob LA3 CARRYCOT large and comfortable

Made of high quality leatherette, easy to maintain, soft to the touch, resistant and with UPF50+ sun protection. Its lining with three layers of fabric offers perfect thermal and acoustic insulation, providing maximum comfort and well-being to the newborn in the first months of life. Includes removable cotton liner and mattress, reclining backrest, base with adjustable ventilation, base with fixed or swing position, among other features.

1

'BOOK SEAT' reversible

Can be used in both directions so baby can explore the world around them.

It combines functionality and comfort: extra padded and approved to be used from baby's birth up to 22 kg. It offers unmatched benefits that contribute for the correct development of the newborn and the comfort of their parents.

Includes an extendable hood.

2

EASYMAXI LF infant car seat optional

The Easymaxi LF is a Group 0+ (0-13 kg) infant car seat equipped with a clever system that allows the **seat backrest to be reclined to a lie-flat sleeping position**. This car seat increases your freedom of movements: it is fitted in a rear-facing position into the car using the vehicle seat belts or onto the chassis with a simple click, offering maximum safety for babies on all journeys.

THREE-LAYER construction

The carrycot is constructed with different layers of fabrics that are designed to give improved natural thermal and acoustic insulation, ideal for newborns' well-being.

- 1 - Inner liner:** produced in hypoallergenic cotton to care for baby's delicate skin and avoid irritations or allergies. It can be easily removed for washing.
- 2 - Air chamber:** the medium layer creates a chamber for improved air circulation, reducing heat and humidity and ensuring perfect thermal regulation.
- 3 - Exterior fabric:** made with high quality materials to ensure durability.

Fabric handles

The carrycot features handles in the side pockets, making it easy to transport.

Adjustable backrest

The carrycot has a reclining mattress. This feature facilitates digestion and lets the newborn explore the world around them.

Removable liner

Carrycot with cotton liner for maximum comfort, removable and washable.

Large carrycot

The carrycot has the ideal size to ensure baby's rest and comfort in the first months.

Easylock attachment

The carrycot attaches to the chassis using the Easylock system that allows easy and simple fitting with two fastening and four support points that offer increased stability and avoid vibrations.

Carrycot base with fixed or rocking position

Protection

Made of high quality leatherette, easy to maintain, soft to the touch, resistant and with UPF50+ sun protection.

Versatile^{seat}

approved to be used from baby's birth up to 22 kg

Reclinable to a lie-flat position

reversible
seat

UPF 50+
Ultraviolet Protection Factor

Reversible seat

The pushchair seat is fully reversible to let baby face in either direction. In the early months this allows that all-important eye contact with parents. As baby grows, the seat can be attached facing forwards, letting toddlers explore the world around them.

Reclinable

The backrest can be fully reclined to a lie-flat sleeping position, to offer a wider and comfortable space. The footrest is adjustable independently, to suit your child as they grow.

Extendable hood

The pushchair seat includes an extendable hood, made with UPF50+ leatherette to offer excellent sun protection.

Wide extra padded seat

The wide seat with substantial padding ensures the maximum comfort for baby.

Easylock attachment

The seat attaches to the chassis using the Easylock system featuring two anchorage points for easy and simple fitting and four support points to give maximum stability and a comfortable ride.

Practical

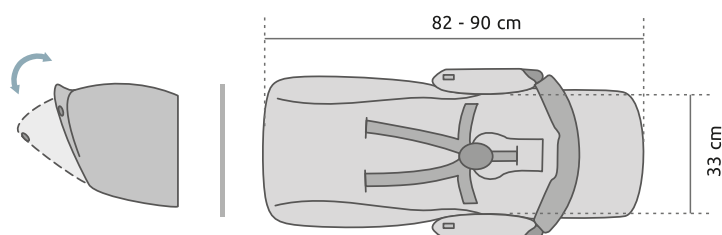

The pushchair seat is easily and quickly removed from the chassis by grasping the seat on either side and squeezing the bars. The bumper bar can be swung open or completely removed to easily sit or remove the baby.

Suitable from birth

The pushchair seat is approved to be used from baby's birth, with the backrest in the **lie-flat sleeping position**, that allows the baby to rest on a wider flat surface, helping the correct posture for baby's developing spine.

Safe

Five-point attachment harness for maximum safety. The soft padded chest and buckle pads ensure baby is snug and secure when the harness is tightened. The shoulder straps are easily adjustable in height.

Easymaxi LF

Group 0+ (0-13 kg) until 18 months approximately
facing rearwards

The Easymaxi LF infant car seat has a clever system that allows the **seat backrest to be reclined to a lie-flat position**. The car seat is comfortable to carry and the handle can be folded backwards for easy access to your baby. The one-pull, three-point safety harness adjuster makes it easy to secure your baby in the car seat. Luxurious seat padding provides extra comfort, and the car seat fabric can be removed for washing. It can be fitted in a rear facing position directly into the car or onto the chassis with a simple click, offering safe, comfortable journeys.

Approx. weight 5.2 kg

It features side impact protection in the head wing and hip areas for improved resistance and maximum safety in case of lateral impact.

The Easymaxi LF allows the **seat backrest to recline to a lie-flat sleeping position for travel**.

AUREA

from 40 to 125 cm (≤25 kg)

The **Aurea** car seat consists of 3 items: a 360° rotating **Isofix base (b)** to secure it in the car, an **infant seat (i)** for newborns up to 87 cm and an **evolving seat (s)** for children from 40 to 125 cm. The infant version features a reclining backrest position for extra comfort. Both seat versions feature a removable cushion and adjustable five-point safety harness to guarantee a perfect fit to the baby. The infant version can be installed in the car in a rear facing position, using the vehicle seat belts or the optional rotating base.

The Aurea Infant car seat can also be fitted onto the chassis using the included **Mini adapter** (multi brand adapter).

Aurea Infant from 40 to 87 cm rear facing

German Approval

The **Carré bag** features two external pockets and one large internal mesh pocket. Available in all fabrics to match the pram perfectly.

The **Tote bag** features one large internal mesh pocket. Available in all fabrics to match the pram perfectly.

The **footmuff** is made with a washable soft fleece lining and padded apron to keep baby warm in winter and comfortable in the summer months. The apron can be zipped off to leave a soft seat liner. Easy to attach to the seat and available in a wide range of fabrics.

The **parasol** is made in UPF50+ fabric to offer excellent sun protection. It has a secure clamp and flexible arm that can be extended and flexed to provide maximum shade cover. Easy to attach to the chassis and available in a wide range of fabrics.

The **coverall raincover** fits the carrycot and pushchair seat and protects baby from the wind and rain. It has a zipper on the front for easy access to baby.

Raincover for the **Easymaxi** infant car seat.

The **High Up elevator** raises baby's seat position, bringing them closer to parents reassuring presence, while allowing them a better view of the world around them. The elevator fits the chassis easily and is compatible with the carrycot, pushchair seat and Easymaxi car seat.

Fixed **base** specially created for use with the **Easymaxi** infant car seat. The **EasymaxiBase** is available in three versions (standard, Isofix RX and Isofix RXi for the Easymaxi XLi) that can remain fixed in the vehicle to enable the infant car seat to be fitted faster and easier.

Convenient, foldable **stand** with a distinctive clean look. It allows to install the **carrycot** or **Easymaxi car seat** comfortably and safely anywhere in the house, if you want to keep an eye on baby close to you or if baby falls asleep on the way back from a walk.
