NINA

LIGHTWEIGHT DESIGN
EFFORTLESS FOLDING

The Nina pram combines practicality, versatility and comfort, making everyday journeys effortless for parents and little ones alike.
Featuring an innovative foldable carrycot, the Nina is designed for easy transportation and convenient storage. Its clever design allows for a more compact fold, making it ideal for fitting into the car boot.
Comfort is at the heart of the Nina's design. The carrycot provides a cosy, peaceful space for your baby to rest while out and about, complete with a soft, supportive mattress for added comfort.
Crafted from breathable fabrics, the carrycot promotes airflow and ventilation, helping to create a comfortable environment for your little one.
Thoughtfully designed for everyday convenience, without compromising on your baby's comfort.

FEATURES

Safety & Protection
Designed to provide excellent safety and protection, keeping your baby comfortable and secure while out and about.

Easy to Transport
The integrated carry handle makes lifting and transporting the carrycot simple and convenient.

Adjustable Hood
Easily adjust the hood to suit the direction of the sun, helping to keep your baby shaded and protected throughout the day.

Spacious & Comfortable Carrycot
Thoughtfully designed to offer plenty of space for your baby to stretch out and relax, creating a cosy and comfortable environment for restful sleep.

Breathable Fabrics
Made from high-quality, breathable materials that encourage airflow and help prevent heat build-up, keeping your baby comfortable.

Enhanced Ventilation
Large ventilation panels in the carrycot base and hood allow air to circulate freely, while the extendable sun visor, hood and foot cover provide additional protection from the sun and wind.

Soft Cotton Mattress
Includes a comfortable cotton mattress, providing a soft and supportive surface for your little one to rest.

Foldable Sun Visor
An extendable, foldable sun visor provides extra shade when needed and can be neatly folded away when not in use.

UPF 50+ Sun Protection
The carrycot fabrics offer UPF 50+ protection, helping to shield your baby from harmful UV rays.

Integrated Carry Handle
A practical carry handle built into the hood makes lifting and transporting the carrycot easier.

CARRYCOT MATTRESS

Provides maximum safety and protection, which are so important during the first months of life.
