TRAMA®

COMPLIES WITH THE EUROPEAN SAFETY STANDARD FOR COTS EN716:2008 +A12013

The **Bébécarr Group** is a multinational company with over 50 years experience in manufacturing baby products, using the latest technology and producing high quality articles, which comply with the highest safety standards.

Trama presents its latest nursery furniture new releases: cots, cot beds, wardrobes, chests of drawers, dresser-baths and accessories. **Trama** guarantees the quality of its products with a thorough control of the production processes.

Trama is a certified company according to ISO 9001 Quality System and internationally known through IQ Net.

In addition to all these procedures, **Trama** takes care of every single detail to provide your baby with high quality materials, the development of products with unique designs certified in compliance with the most demanding European safety standards for children.

Trama's top priority is baby's comfort and safety.

Trama fulfills its responsibility regarding the proper management of packaging and packaging waste, having joined the Integrated Packaging Management and obtained the Green Dot.

Trama has its own After-Sales Service department at your disposal for any questions or inconvenience that may arise. **Trama** ensures the commitment of service after the purchase of its products.

Comfort for your baby with the highest quality **Safety**

Cots, cradles and dresser-baths are complete with lockable swivel castors for improved safety and comfort.

Additionally, the castors are rubber coated to protect the flooring.

The stability of dresser-baths, chests of drawers and wardrobes is guaranteed with a specific security system to prevent accidental falling.

Cots and cot beds are available with a dropside equipped with an invisible sliding mechanism for a more clean and elegant look.

For added security all products are manufactured with non-toxic paints and varnishes and present no sharp edges.

All cots are equipped with an easy to use single-handed dropside, to allow easy access to baby, that comes complete with a double safety device.

The locking system featured in the dropside is automatically operated, when in the opened and closed positions, in compliance with **EN716: 2008 + A1: 2013** standard.

Products shown:

Transformer Cot (cradle - cot - desk with chairs)

Ref.

82952

Converted to a desk and two individual chairs with seat cushions included.

Upholstery for Nordica Highchair cushions is available in Magic fabric, which contains a special anti-stain treatment. Thanks to its finish composed of billions of nanofilms, stains do not penetrate the outer fabric, allowing it to maintain its initial characteristics for everyday use and even after washing.

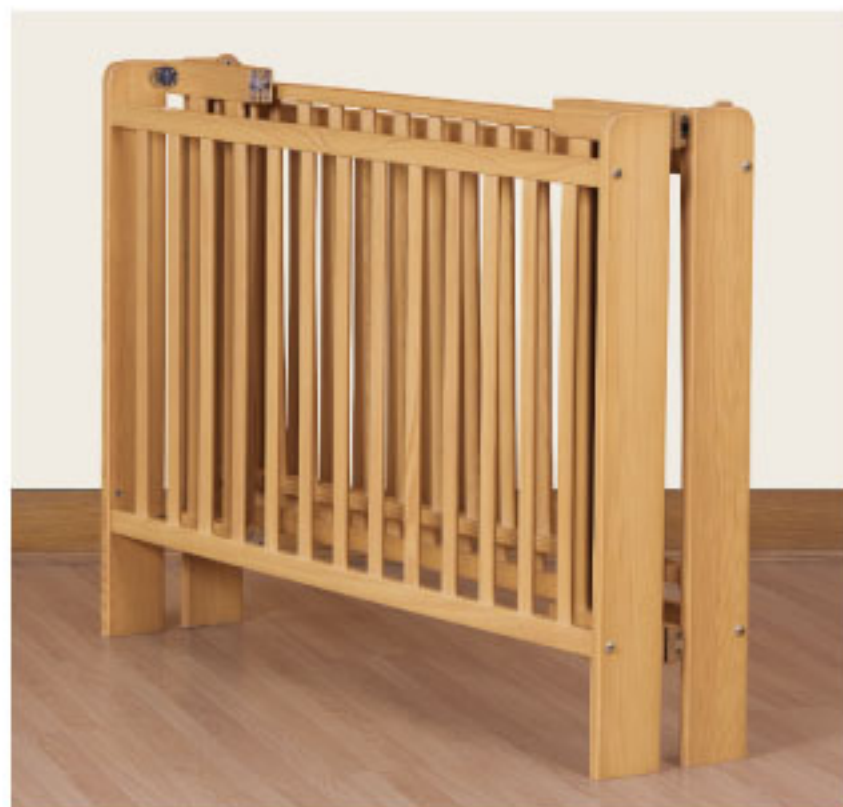

Ref. 12951 Shown in: Matt White

Other available colours:  Grey Wash

Available fabrics:     
TC87 TC85 TC86 TC01 TC32

With a new design and entirely made of solid pine wood, the Nordica Highchair adjusts to the size of the child and is very comfortable during all stages of growth. The footstool is height adjustable allowing baby to sit correctly and comfortably and to join in with parents sitting at a table.

Shown folded.

Compact Cot ref.05402:
Foldable cot
High quality metal hingers
Allows easy storage taking up small space
Internal Dimensions: 120 x 60 cm
Material: Pine wood

Colours

			
Matt White	Pine	Fir	Oak

The small size and swivel castors of the Combi Cradle allow easy transportation through doors and rooms in the house. The cosleep mode facilitates the contact with the baby and is especially comfortable during night feeds.

It can be easily converted from cosleep mode to standalone mode, allowing baby to sleep next to parents day and night.

Other available colours:

High Gloss White

Shown in cosleep mode, attached to parent's bed.

The Combi Cradle allows baby to sleep next to the parents' bed, but gives them their own space. For cosleep mode, it includes adaptors that attach easily to the parents' bed underneath the mattress. The Combi Cradle is adjustable to 6 height positions.

The Combi Cradle is convertible and can be used later as toy box.

Ref. B0043 Optional bedding

The Cool Dresser has the ideal size for changing baby comfortably without having to lean over and to easily access all the drawers.

It also includes a white changing mattress and swivel castors to allow easy transportation.

Changing Table

The Changing Table is equipped with anatomical bathtub, soap-dish and fabric shelves to store all that baby needs for the bath. It is easy to carry thanks to its swivel castors with brakes. Its size is ideal for bathing and changing baby comfortably. The changer top is equipped with a locking device that prevents accidental closing when it is upright.

Ref. 11651 Shown in: Matt White with Blue Striped PVC

Matt White with Plain White PVC

Matt White with Pink Striped PVC

Bedrail

Manufactured from pine, the bedrail is safe and easy to install. Baby will always be protected in the transition from cot to bed; the bedrail prevents falls to occur until baby assimilates this important change in its rest.

Other available colours:

White Wash

Grey Wash

Ref. 11601 Shown in: Matt White and Oak

Highchair Panda

Made from solid pine, it is ideal for meal time with its wide tray and removable and washable seat cushion. Practical for its size folded, it fits easily in the home.

Other available colours:

Matt White

Ref. 01241 Shown in: Fir / Ice Beige

Safety gate

The Safety Gate blocks access to a potentially dangerous room of the house, creating a safe play area for children. It installs easily with a 4-point pressure system without having to drill door frames or walls.

It offers a real comfort, because it opens both ways, it is activated with one hand and closes automatically.

The Safety Gate (without extensions ref.11011) is adjustable from 67,5 cm to 73,5 cm. It also allows the adaptation of an optional single extension kit (ref.11021) to fit several openings.

For added safety, it is equipped with a locking device and complies with the European Safety Standard EN 1930: 2000.
